Congressman Olver was able to secure \$400,000 in funding through an earmark in the FY Š99 appropriations bill.

Congressman Olver will be joined by the Venture Center staff and Board of Directors to discuss the project.

The North County CDC purchased the mill building in August 1996 and began work on restoring it.

\*On Saturday, October 17, 1998, the Berkshire Eagle erroneously reported that the earmark was for the CDC.
